

2011 Silent Invasion Update

COORDINATING GROUP ON
ALIEN PEST SPECIES

- Snakes and spiders and beetles, oh my!
What the Guam build-up means for Hawai'i
- Invasive weeds, old and new
- Biocontrol, past and future
- Invasive seaweeds
- What we need to do to better protect Hawai'i

Tuesday, January 25, 2011

4:00 p.m.—5:15 p.m.

State Capitol Auditorium

Please join us for this free public update on
hot-topic invasive species issues.

A public service sponsored by CGAPS and the office of Representative Hermina Morita.
For more information, please call CGAPS at (808) 722-0995
